

CITY of BURIEN
Department of Community Development
Interpretation # 03-02

Subject: Repeal of Interpretation 97-01

Purpose: This interpretation is intended to repeal Interpretation 97-01.

Discussion:

Interpretation 97-01 addressed the applicability of Ordinance 34 on expansion of Highline Hospital under the City's Interim Zoning Code. In 1999, the City adopted new zoning applying to the hospital, requiring approval of a Master Plan for hospital expansion. On June 16, 2003, the City Council passed Resolution 182, approving a Master Plan for the hospital, which supercedes the requirements of Ord. 34. Therefore, Ord. 34 and Interpretation 97-01 no longer apply.
